

# All Star / Tournament Team Nomination Form

Upon receipt of an All Star Application and Commitment form from a player please complete the following form. Please list all players who complete an application and place them on the ballot in order of their Team Ranking. When you rate and make a suggested placement for each player, please take the player's age into consideration. (Example: An exceptional 11 year old may receive a 3 rating and International All Stars placement due to their age while an above average 12 year old may receive a 2 rating but still have a Team Ranking higher than the 11 year old.)
